Kickass skin, this skin is fantastic and is so much fun to use.

If only it had unique voicelines.... "SPLASH WITH ME IF YOU WANT TO LIVE*. Tired of being a rapper gangster Frog from the ghetto? Well now is your chance to let go of your past from the hood and become a new and improved version of yourself. Move aside foo! Make room for Digital G! The new elite amphibious super soldier on the battle fields of space! In my opinion, this is the best skin for Froggy G. Gives him a full set of futuristic armor, a cool mask, and even his fish gun looks different as well! Another great Froggy G skin!
